Choirs should make up their own dances for this one and have loads of fun!

The Riddle. Nik Kershaw. (Cover by Gigi D'Agostino)

Near a tree by a river there's a hole in the ground,
Where an old man of Aran goes around and around.
And his mind is a beacon in the veil of the nigh,
For a strange kind of fashion there's a wrong and a right.

2

Near a tree by a river there's a hole in the ground,
Where an old man of Aran goes around and around.
And his mind is a beacon in the veil of the nigh,
For a strange kind of fashion there's a wrong and a right.
But he'll never ever fight over you.

INSTRUMENTAL

Hey Brother. Avicii

Hey brother, there's an endless road to rediscover.
Hey sister, do you still believe in love I wonder?
Oh, if the sky comes falling down for you,
There's nothing in this world I wouldn't do.
Ah....

What if I'm far from home?
Oh brother I will hear you call?
What if I lose it all?
Oh sister I will help you out.

Oh, if the sky comes falling down for you,
There's nothing in this world I wouldn't do.

INSTRUMENTAL

When I was young it seemed that life was so wonderful,

3. Kids Pop Medley 2025

Dance the Night Away. Dua Lipa

Maybe you could find me under the lights
Diamonds under my eyes
Turn the rhythm up, you don't wanna just
Come along for the ride

Everything is just right
I can hear my heart beat tonight
I can feel the beat, and you best believe
That's the moment I shine
'Cause every chance, I'm gonna dance
From the beginning to the end

When the night's here, I don't do tears
Really no chance
I could dance x 3

2

Watch me – dance. Dance the night away.
My heart could be burnin' but you won't see it on my face.
Watch me – dance. Dance the night away.
I still keep the party running not one hair out of place.

When my heart breaks
When my world shakes
Play it safe. Don't you know about me.
I could dance x 3
Dance the night

Lighter. Galantis, David Guetta, & 5 Seconds of Summer

We're paper planes in the sky, driftin' where the wind blows.
Yeah, gravity held me tight, but with you I can let go.
I know, I know when I'm hollow, hollow, you take it all away and fill then empty spaces.
Don't know, don't know 'bout tomorrow, morrow,
But I know that today.....
I feel a little bit brighter when the world's heavy as stone,
And the colours shine a bit brighter when I with you.....

2

Where ever we go, the cold ain't so cold, as long as you're close,
I thought you should know.
I feel a little bit lighter, when I'm with you.....

When I'm with you.....

I Just Can't Wait to Be King from the Lion King

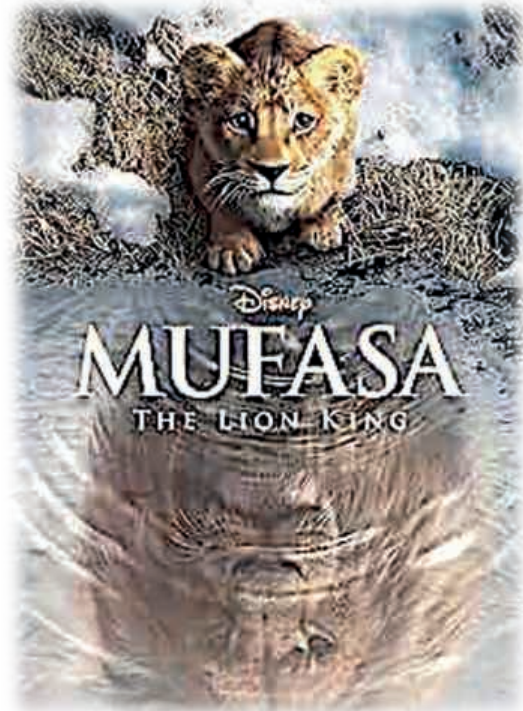

Hey! Hey! Hey!

I'm gonna be a mighty king so enemies beware,
I've never seen a king of beasts with quite so little hair.
I'm gonna be the 'mane' event like no king was before,
I'm brushing up on looking down, I'm working on my ROAR!
Thus far a rather uninspiring thing!
Oh I just can't wait to be king.

No one saying "Do this", no one saying "Be there",
No one saying "Stop that", no one saying "See here".
Free to run around all day.
Free to do it all my way.

Yay-e, yay-e, yay-e, yay-e,

Ev'rybody look left,
Ev'rybody look right,
Ev'ry where you look I'm.....
Standing in the spotlight. *Not Yet!*
Let ev'ry creature go for broke and sing,
Let's hear it in the herd and on the wing,
It's gonna be king Simba's finest fling.
Oh I just can't wait to be king.
Oh he just can't wait to be king.
Oh I just can't wait to be king.

6. Shake It Off. *Swift. (Taylor's Version)*

I stay up too late,
Got nothing in my brain.
That's what people say, mm-mm.
That's what people say, mm-mm.

I got too much to say,
Sometimes I go astray,
At least that's what people say, mm-mm
That's what people say, mm-mm

But I keep cruisin'
Can't stop, won't stop movin'
It's like I got this music in my mind
Sayin' it's gonna be alright

'Cause the players gonna play, play, play, play, play
And the takers gonna take, take, take, take
I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

I never miss a beat
I'm lightnin' on my feet
And that's what they don't see, mm-mm
That's what they don't see, mm-mm

I'm dancin' on my own
I make the moves up as I go
And that's what they don't know, mm-mm
That's what they don't know, mm-mm

But I keep cruisin'
Can't stop, won't stop moovin'
It's like I got this music in my mind
Sayin' it's gonna be alright

'Cause the players gonna play, play, play, play, play
And the takers gonna take, take, take, take
I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

X 2

Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake

7. Unstoppable. *Sia*

All smiles, I know what it takes to fool this town,
I'll do it 'til the sun goes down
And all through the night-time
Oh, yeah.

Oh, yeah, I'll tell you what you wanna hear,
Leave my sunglasses on while I shed a tear,
It's never the right time.
Oh, yeah
I put my armour on, I'll show you how strong I am.
I put my armour on, I'll show you that I am.

I'm unstoppable. I'm a Porsche with no brakes.
I'm invincible. I win every single game.
I'm so powerful. Don't need batteries to play.
I'm so confident. I'm unstoppable today.

Unstoppable today.
Unstoppable today.
Unstoppable today.
I'm unstoppable today.

Break down, only alone I will cry out loud,
You'll never see what's hiding out,
Hiding out deep down,
Oh, yeah.

I know, I've heard that to let your feelings show,
Is the only way to make friendships grow,
But I'm too afraid now,
Oh, yeah.

I put my armour on, show you how strong I am.
I put my armour on, I'll show you that I am.

I'm unstoppable. I'm a Porsche with no brakes.
I'm invincible. I win every single game.
I'm so powerful. Don't need batteries to play.
I'm so confident. I'm unstoppable today.

8. Where Is the Love.

Will Adam, Aallan Pineda, James Gomes, Justin Timberlake, Michael Fratantuno, George Pajon Jr, Printz Board, J Curtin.

Solo rap

What's wrong with the world mama?
People livin' like they ain't got no Mama.
I think the whole world's addicted to the drama,
Only attracted to things that will bring trauma.

Over here, yeah we still have discrimination,
We want peace and love for every nation,
We need to learn acceptance and appreciation.
We need to learn forgiveness and negotiation.

But if you only have love for your own race,
The you only leave space to discriminate,
And to discriminate only makes us separate,
And when we separate it only makes us segregate, yeah.

Madness is what you demonstrate
And that's exactly how anger works and operates.
Man you gotta have love just to set it straight.
Take control of your mind and meditate,
Let your soul gravitate to the love y'all.

CHORUS. Children's choir

**People suffering, people dying,
Children hurt, can you hear them crying?
Can you practice what you preach?
And would you turn the other cheek?
Father, father, father help us,
Send some guidance from above.
'Cause people got me got me questioning,
Where is the love?
Where is the love?
Where is the love?
Where is the love, the love, the love?**

Solo rap

It ain't just the same, always unchanged.
New days are strange, is the world insane?
If love and peace are so strong,
Why are there pieces of love that don't belong?

Nations dropping bombs,
Chemical gasses filling lungs of little ones,
With ongoing suffering as the youth die young.
So ask yourself, is the lovin' really gone?

So I could ask myself, what is really going wrong
In the world that we're livin' in, people keep on givin' in.
Making wrong decisions, only visions of the divisions,
Not respecting each other, deny thy brother.

A war's going on but the reason's undercover.
The truth is kept secret, it's swept under the rug.
If you never know the truth, then you never know love.

Solo rap: Where is the love y'all?

Children's choir: I don't know

Solo rap: Where is the truth y'all?

Children's choir: I don't know

Solo rap: Where is the love y'all?

CHORUS. Children's choir

'Cause people got me got me questioning,

Where is the love?

Where is the love?

What ever happened to the values of humanity?

What ever happened to fairness and equality?

Instead of spreading love, we're spreading animosity.

Lack of understanding leading lives away from unity.

That's the reason why sometimes I'm feeling under,

That's the reason why sometimes, I'm feeling down.

There's no wonder why sometimes I'm feeling under.

Gotta keep my faith alive, 'till love is found.

CHORUS. Children's choir

People suffering, people dying,
Children hurt, can you hear them crying?

9. You're the Voice. *John Farnham*

(SOLOIST) We have the chance, to turn the pages over
We can write what we want to write
We gotta make ends meet, before we get much older
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

(CHOIR) You're the voice, try and understand it
Make a noise and make it clear
Oh-woh oh, Oh-woh oh,
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh Oh-woh oh.

(SOLOIST) This time, we know we can stand together
With the power to be powerful
Believing, we can make it better
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

(CHOIR) You're the voice, try and understand it
Make a noise and make it clear
Oh-woh oh Oh-woh oh.
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh, Oh-woh oh.

(SOLOIST) We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

Oh-woh oh Oh-woh oh
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh Oh-woh oh
